*You may be eligible for federal tax credits. Please refer to [www.energystar.gov](http://www.energystar.gov) for more information.*

**Application Offer:** This program covers products purchased and installed on or after January 1, 2008. Details of this program, including incentive levels, are subject to change or cancellation without prior notice. This Application with required documentation must be received by **December 31, 2008**. All rebates must be postmarked no later than January 31, 2009. Please call 1-877-Wise-Use for details.

**This offer is valid for residential customers only.**

**Eligibility:** Incentives are available to all CL&P and UI residential electric service customers. Equipment must be installed in the service territory of the participating electric utility. Eligible systems are: electric heat pumps (air source) and electric central air conditioning. All split systems must be matched and ARI<sup>1</sup> rated as such in order to meet program requirements.

**Proof of Purchase:** An invoice itemizing the purchased equipment must accompany each incentive Application. The invoice copy must indicate the equipment type, make and model numbers and the date of purchase.

**Application:** This Application must be filled out completely, truthfully and accurately. The Customer and Contractor must each sign and submit the completed Application along with the invoice.

**Payment:** Please allow up to 90 days for payment. Payment processing may take longer if information is missing on the Application. Please Call 1-877-364-4217 if you have any questions about your incentive.

**Approval and Verification:** CL&P and UI reserve the right to verify sales transaction and to have reasonable access to your residence to inspect the system installed under this program, prior to issuing incentives, for up to one year after date of application.

**Tax Liability:** CL&P and UI will not be responsible for any tax liability that may be imposed on the Customer as a result of the payment of incentives.

**Endorsement:** CL&P and UI do not endorse any particular manufacturer, product, or system design in promoting this program.

**Limitation of Liability:** CL&P and UI's liability is limited to paying the incentive specified. CL&P and UI are not liable for any consequential or incidental damages, or for any damages in tort connected with or resulting from participation in this program.

**Warranties:** CL&P AND UI DO NOT WARRANT THE PERFORMANCE OF INSTALLED EQUIPMENT, EXPRESSLY OR IMPLICITLY. CL&P and UI makes no warranties or representations of any kind, whether statutory, expressed, or implied, including without limitations, warranties of merchantability or fitness for a particular purpose regarding the unitary central air equipment or services provided by a manufacturer or vendor. Contact your Contractor for details regarding equipment performance and warranties.

**Owner's Certification:** Owner certifies that he/she has purchased and installed the equipment listed on the other side of this Application at the defined location. Owner agrees that all information is true and that he/she has conformed to all program and equipment requirements listed.

**ISO-NE Capacity Payments:** By signing this document and as a condition to receiving a rebate pursuant to this program, customer hereby assigns to its participating electric utility, either CL&P or UI (as the case may be), any and all payments, benefits and/or credits in connection with the Forward Capacity Market or any currently existing or successor or replacement markets (including but not limited to any and all "LICAP," "ICAP," transitional credits or other capacity related payments, benefits and/or credits for which customer is eligible) and that are associated with or applicable to customer's participation in the program. Customer agrees to execute any and all documents and/or instruments as requested by UI or CL&P (as the case may be) to evidence such assignment. Forward Capacity Market means the market for procuring capacity pursuant to ISO-NE Tariff, FERC Electric Tariff No. 3, Section III, Market Rule 1, Section 13, any modifications to the Forward Capacity Market, or any successor or replacement market/capacity procurement process.

**Class III Conservation Credits:** In accordance with the Department of Public Utility Control's June 28, 2006 decision in Docket No. 05-07-19, DPUC Proceeding to Develop a New Distributed Resources Portfolio Standard, Customer is not eligible to receive or retain any Class III conservation credits for this project. Such credits shall be retained by either CL&P or UI for the benefit of their customers through the CEEF. Customer may be eligible to receive and retain Class III conservation credits for projects which do not receive funding from the CEEF. Such projects would be treated as separate projects under the Class III credit program.
